

Follow the journey of a drop of water as you navigate through OdySea Aquarium.

The Aquarium's set path will wind you through the rivers and lakes, to the shores, and down to the deep ocean. You may backtrack at any time along the set path to revisit exhibits or experience scheduled programming.

OBSERVE OCEAN LIFE IN A NEW WAY...

The **OdySea Voyager** is an interactive experience that is both thrilling and educational for guests of all ages. On this 20 minute journey you will encounter a variety of sea life such as Goliath Groupers, Sea Turtles, Sea Lions, Sharks, and more!
